

Resume Posting Instructions

Write a description of your personal profile in 50 words or less. This will appear on the AzMPI website. Email this paragraph together with your resume, which will be saved as a PDF file and linked for viewing on the website.

Your personal profile should be a summary of your skills and experiences and how you want to “position” yourself to prospective employers. Think of this as your “elevator speech” expressing your expertise and strengths.

Please be aware that if you choose to place your resume on our Chapter website, we have no control over who will access it.

One more thing: *PLEASE* contact us once you are gainfully employed and no longer want your resume posted on this site. Again, email Connie to remove your resume.

Send your Profile and Resume to:

Connie Cornelius ccornelius@earthlink.net

Thank you and Good Luck!
